Bible memory work for Thursday, October 22:

*Do not be anxious about anything, but in everything,
by prayer and petition, with thanksgiving,
present your requests to God.
Philippians 4:6*

****There will not be a spelling test next week. The students will be busy already with their science project and studying for the math test.**

Upcoming test: On Tuesday, October 20, the students will have a Geometry test in math. A review sheet was sent home today (Friday, Oct. 16) along with the answer key for further practice. The test will have the same questions as the review, but the questions will be mixed up and there will NOT be a word bank. (Spelling will not count:) Please help your child to prepare for the test. Thanks so much!

Shoeboxes wanted!

Next week the students will be doing a craft involving thin cardboard. If you have a shoebox at home please send it to school. If you have more than one that you are willing to give away, I will gladly take it for anyone that does not have a shoebox.

Thank you in advance for your help with this activity!

Seesaw: A home learning code is being sent home today (Oct. 16). This code will allow you to access Seesaw Class, which is slightly different than Seesaw Family that you are currently using. Seesaw Class will be used if we are forced into a distance learning situation. Please take the time to set this up, so we can work out any "kinks". Thanks so much.
