Is your child dressed for the weather??? This year all of our P.E. classes are outside and of course, all recesses are outdoors. As the weather gets colder, is your child dressed warm enough? During our P.E. class, I heard many students complain to me that they were not warm enough or that they did not bring mitts to school. Please double check in the mornings with your child that they have everything they need to stay warm when they are playing outside. Thanks for your help!

Koats for Kids: Grade 5 is collecting gently used, clean coats, hats, mittens, and boots in kid sizes. The need in Winnipeg is greater than ever with financial strains and PE classes being held outside due to Covid. If you have an item to donate please send it to school in a plastic bag. There will be a collection bin in the hallway by the library for the entire month of November. Thanks so much!

Science Magnetism Projects: All projects are due this Monday, November 16th. Some are already coming in and looking great!
